Dear Mr. Anderson

On behalf of Calabar High School and the Administration, I accept these gifts with gratitude. We thank you for such a generous donation to the students, teachers and departments mentioned. I assure you that they will go a far way in providing the assistance for which they are intended.

As I am aware that this is not the first time we have received such gifts, I will ensure that there is a symbolic handing over ceremony to all the groups identified as well as the continued pictures and thank you messages from the recipients.

Please convey our gratitude to the other members of your team. I continue to say thank you for always keeping the school at the forefront of your minds and plans and will do my best to ensure that the communication lines remain open and our bond remains strong.

Thank you for always answering Here Sir! and ensuring that our charges do their best in achieving the utmost for their highest.

Warmest regards,

Yours respectfully,

Sian M. Wilson (Miss)
PRINCIPAL (Actg.)
